

CTP Nominated for Two European Real Estate Strongest Brand Awards 2023 in CEE Logistic Developers and Investor Categories

PRAGUE, 17th March 2023 CTP, continental Europe's largest listed developer, owner and manager of industrial and logistics properties by GLA, has been nominated for two awards in Europe's largest scientific brand study of the real estate industry, the European Real Estate Brand Award 2023, in the CEE categories of 'Strongest Brand CEE Developers Logistics' and 'Strongest Brand CEE Investors'. The awards celebrate the strongest brands in the European real estate industry and the winners will be presented at the upcoming gala evening coordinated by the Real Estate Brand Institute in Berlin, which has been running for 15 years.

The Real Estate Brand Awards nominations are exclusive and invite-only, companies are unable to put themselves forward. Instead, they are based on a survey among real estate professionals and experts representing the industry, investors, and tenants. The nominations for CTP in the two categories reaffirm the company's strong position in the CEE region.

Patryk Statkiewicz, Group Head of Marketing and PR for CTP, said: "It's an honour to be nominated for these awards, we've been recognised by many of our tenants as a market leader across CEE and serves as a testament to the hard work and dedication of our team and our commitment to delivering high-quality logistics and industrial spaces that meet the needs of our clients. To us, growth isn't just defined by GLA and finance, it's about the communities we serve through our long-term strategy of quality, innovation, and sustainability. We are grateful to the expert panel of real estate experts representing industry, investors, and tenants who participated in the nominations and recognise the value we bring to the market."

The winners of the Real Estate Brand Awards 2023 will be announced on the evening of the gala, which will take place on the 14th June 2023 in Berlin.
